W13/0342	Conversion and change of use of barn to 3 residential units (revised layout) Barn, Yew Tree Farm, Tapster Lane, Lapworth
----------	---

	<p>The Parish Council reiterates its previous objection in relation to development and proximity and privacy</p> <p>i. W13/0342 Yew Tree Farm Objection as below</p> <p><b>Overdevelopment</b> - The proposed conversion, by reason of its size and siting, presents an un-neighbourly form of development that would have an adverse impact on the amenity of neighbouring properties by reason of an overdevelopment of a modest site.</p> <p><b>Proximity and privacy</b> - The proposed development would have an unacceptably adverse impact on the amenities of the properties immediately adjacent to the site and the surrounding area by reason of overlooking, loss of privacy and visually overbearing impact.</p> <p>In addition to this the following concerns are also raised:</p> <p><b>Parking</b> whilst this has now been increased from 3 to 6 spaces this increases the amount of space being allocated for parking. This will potentially cause an unavoidable conflict as it is in such close proximity to existing dwellings.</p> <p><b>Increased traffic</b> on already hazardous road frequently used by cyclists – these are single track roads already identified as not suitable for motor vehicles.</p>
W13/0831	<p>Erection of a two storey rear extension following demolition of an existing two storey rear extension</p> <p>123 Chessetts Wood Road, Lapworth</p> <p>No objection</p>
W13/0916	<p>Erection of replacement stable block</p> <p>The Stables, Glasshouse Lane, Lapworth,</p> <p>The Parish Council wishes to reiterate its previous objection to the application on the following grounds: - change in design and appearance is inappropriate to the rural area. To the best of the Parish Council's knowledge the current buildings have not been used for stabling since erection. The Parish Council has concerns regarding the introduction of sewerage facilities on site.</p> <p>Furthermore it has concerns that this application is an abuse of the planning process - it has been reported that someone has been living on site in the caravan and there is local fear and concern that the change of use agricultural to recreational use, together with plumbing and sewerage facilities is a stepping stone to the stable becoming lived in. This concern is further enhanced by need for enforcement notices to be served for the removal of unauthorized caravan, which has not yet been complied with.</p> <p>Work has already started on site, a brick layer is not necessary and indoor plumbing is not necessary for the stabling of horses.</p>
W13/0933	<p>Proposed rear kitchen extension, side extension and canopy to front elevation</p> <p>179 Chapel Lane, Lapworth</p> <p>No objection</p>
W13/0987	<p>Application to remove condition 6 (requiring the use of matching external facing materials) of planning permission W12/0961 (for the Demolition of existing annex and outbuilding, Erection of extensions and alterations to dwelling, Erection of double garage linked to house by flat roof), to allow the use of external render.</p> <p>150 Chessetts Wood Road, Lapworth</p> <p>No objection</p>
W13/1041	<p>Proposed construction of stabling building, outdoor riding menage, new graded pathway and change of use of agricultural land to land for accommodation of horse ( revised design to W13/0780)</p> <p>Hill Barn Farm, Irelands Lane, Lapworth</p> <p>No objection</p>
W13/1046	<p>Gable Extension of roof to side</p> <p>Arden Lodge, Station Lane, Lapworth</p> <p>No objection</p>
