Lapworth Charity

The Charity's governing document restricts the benefit of the Charity to matters of health, social care, accommodation & education of the residents of Lapworth, particularly those of low income. Within these criteria the trustees are always willing to consider applications for assistance.

The Charity owns and supports the 11 almshouses, which are located at the base of the water tower, at Pound Close. Grants made to various local organisations include St Mary's Church, Lapworth School, Lapworth Pre-School and Elderberries.

The Charity also makes grants to individuals. Examples of these grants include:

- the cost of winter fuel.
- the cost of Chiropody not eligible for funding by the NHS.
- the Studying & training expenses which are not covered by the Government Student loans scheme.
- the cost of travelling to and from School.
- medical therapy not covered by the NHS.
- specialist tuition which the state declined to fund

Lapworth Cricket Club

The Melson Memorial Ground on the Old Warwick Road in Lapworth is without doubt one of the most picturesque grounds in the County of Warwickshire and it's a real pleasure to play cricket at "The Melson". It is a beautifully maintained ground which never fails to attract admiring comments from visiting teams, players and spectators.

The Club fields three teams on a Saturday - the 1st XI play in the Premier Division of the Cotswold Hills League, the 2nd team in Division 6 and our newly formed 3rd team in Division 7, our Sunday XI play "friendly" games against local teams and the mid-week XI play in the Shirley 20/20 League. The ECB All Stars cricket sessions aimed at 5 – 8 year olds both boys and girls – are held on a Friday night during the season and this has already proved to be a huge success. We are also keen to develop our fledgling Ladies section in the coming season

Interested in joining us? new members, playing and non-playing will be made very welcome to our Club - full contact details and further information can be found at:

Lapworth Elderberries

Elderberries meet at Lapworth Village Hall on Tuesday afternoons between 2.00pm and 4.00pm. A friendly group of ladies and gentlemen, of all ages, who come together for a cup of tea and a biscuit, meet old friends, make new friends and

generally spend a couple of hours in good company.

We try to give our members something different each week, and activities include occasional lunches in the Village Hall and various other local venues. Speakers are invited, simple card games as a group (with prizes for winners), easy quizzes, again with prizes, painting sessions (pictures, not walls!), and sometimes we just sit and chat.

If all this interests you, then just come along, everyone is made welcome.

All we ask is that you are able to get to the Village Hall. You don't have to live in Lapworth, as there are members from as far afield as Wootton Wawen, Knowle, Shirley and Dorridge.

Lapworth Film Club

Lapworth Film Club was set up in 2011 to provide an enjoyable social event and funding opportunity for maintenance and improvements to the Village Hall, an important village amenity.

Film Club is on the last Monday of the month from September to April (excluding December) at 7.15pm for 7.45pm at Lapworth Village Hall.

There is a bar and the £5 taken at the door includes free refreshments at the interval.

Besides showing films carefully chosen by a small committee, the evening provides an occasion for people to meet where they might not meet otherwise. Films are advertised in the Parish Magazine, on posters on the village noticeboards, and on a large poster opposite the Village Shop.

The Parish Magazine of Lapworth and Baddesley Clinton

The Rector and Parochial Church Council (PCC) at St Mary's Lapworth have produced a parish magazine since 1898 to support communication for the Parish Churches. For many years the magazine has included articles and publicity of much wider local interest and it has become an increasingly important way of sharing all kinds of local information.

The magazine costs £1 where sold, but we aim to distribute a free copy to almost all houses in Lapworth and Baddesley Clinton. A few free copies are also distributed beyond the parish boundaries and are available to worshippers at the back of church.
